ECO Trade and Development Bank (ETDB) Provides EURO 20 Million to İş Leasing

Economic Cooperation Organisation (ECO) Trade and Development Bank provided SME Loan of Euro 20 million to İş Leasing, operating in Turkey.

SME Loan is the facility developed by the ECO Trade and Development Bank to provide necessary support to Small and Medium Sized Enterprises (SMEs), which are playing a major role in fostering the growth of intra-regional trade and development in the ECO region.

To this end, the provided fund will be utilised by the SMEs in Turkey for financing of their machinery and equipment investments which are essential for competitiveness in the international markets.
