ETDB Ratings Affirmed by Capital Intelligence Ratings

On 30 October 2026, Capital Intelligence Ratings (CI Ratings) affirmed the Long-Term Foreign Currency Rating (LT FCR) and Short-Term Foreign Currency Rating (ST FCR) of the Economic Cooperation Organization Trade and Development Bank (ETDB) at 'BB' and 'B', respectively.

ETDB's Bank Standalone Rating (BSR) has also been affirmed at 'bb', with a Core Financial Strength (CFS) rating of 'bbb-' and an Extraordinary Support Level (ESL) of Moderate. The Outlook for both the LT FCR and BSR remains Stable.

CI Ratings highlighted ETDB's solid capital position, sound asset quality, comfortable liquidity position and resilient profitability as key factors supporting the affirmation. The Stable Outlook reflects CI Ratings' expectation that the Bank, despite a challenging operating environment, will continue to maintain strong capital buffers, as well as satisfactory liquidity and asset quality, over the next 12 months, and that shareholder support will remain forthcoming in the ordinary course of operations.

ETDB noted that the affirmation of its ratings underscores the Bank's financial resilience and the continued confidence of international rating agencies in its institutional framework and mandate.
